

PRESS RELEASE

Planon and PROMOS announce strategic partnership for real estate management

Berlin, 18th June 2024 – Planon, a leading provider of software solutions for real estate and facility management, is delighted to announce a strategic partnership with PROMOS consult. Promos is a major player in the real estate market and key innovator in the development of SAP technologies in the industry. This cooperation promises to radically change real estate management in the corporate and commercial sector. The combination of Planon's innovative technology and PROMOS' industry expertise brings real estate management to a completely new level.

Planon is partnering with PROMOS, an established SAP partner with a focus on residential, commercial real estate and facility management. The Berlin company is an expert in process optimization and mobile solutions for the real estate industry. PROMOS has been providing innovative solutions for industry leaders for the last 25 years and continues to help them rise to and digitally master new challenges.

The partnership promises to optimize real estate management processes. Planon's innovative solutions for facility management complements PROMOS' specialized industry knowledge and broad solution portfolio for key processes in real estate management. Together they will deliver comprehensive tools for the optimization of real estate management, the simplification of workflows and the enhancement of tenant satisfaction.

The cooperation will cover the DACH region in which both companies are already active. The strategic alliance offers clients in these markets tailor-made solutions to enable them to master challenges in real estate and facility management.

PROMOS' focus on SAP products combined with their app portfolio for integration of mobile processes matches seamlessly to Planon's real estate management for SAP S/4HANA®. This combined power harnesses the full capacity of SAP technology to provide clients with an all-in-one approach to real estate and facility management. The expertise of the PROMOS certified team perfectly complements Planon's vision. This partnership marks an important milestone for both companies. The synergies in their offerings and their common commitment to excellence sets this partnership apart.

“We are convinced of the possibilities that this partnership offers” says Stephan Mau, Chief Operations Officer for Planon real estate management. “Together we will offer the PROMOS SAP client a future oriented solution for real estate management.

Volker Schulz, CIO at PROMOS, voices his enthusiasm. “The partnership with Planon marks a milestone for real estate management. We are convinced that our clients will benefit from the combined expertise of both companies, and we can transform the German market in a lasting way.

About Planon:

Planon is a leading provider of intelligent, sustainable facility management software, that brings facilities, people and processes together. By removing data silos and combining solutions in a common information platform, Planon offers facility management stakeholders concrete and practical insights. Independent market research and consulting companies continue to rate Planon as a world market leader. Planon has already implemented comprehensive solutions with more than 3,250 clients and is supported by branches and partners worldwide.
